JULY 2008

THE CURRENT FEMALE WORLD RECORD stands at 12 days 16hrs 23mins

In order to beat the record I need to do 85 miles the first day, 75 the second and 68 each day after that. The attempt is being completed under the rules and regulations, as set out by the Guinness Book of World Records.

During the event I will be raising money for a charity called **BEAT** – (Beating eating disorders).
BEAT is a National charity (Registered Charity No. 801343) based in the UK providing information, help and support for people affected by eating disorders. www.b-eat.co.uk/Home
